A GLIMPSE INTO THE WEEKS

Week 1: June 10 – 14

Mad Science Camp – Let's embark on a series of science adventures! Join us as we become junior scientists and learn about science through hands-on activities. One of our adventures will be a trip to Discovery Place Science.

Week 2: June 17 – 20

Technology Camp- If you have a creative young mind who is interested in technology, then this week is for you! We will visit the Apple Store and learn about different products and devices and how they are used all over the world. We will also have an IT Specialist guest speaker visit us right here on campus.

Week 3: June 24 – 28

In The Wild- Throw on your camera strap and buckle your seatbelt for Amazing Encounters with Jesus. VBS 2019 takes you on a wild adventure with elephants, polar bears, penguins, cockatoos, and crocodiles. As you learn more about exotic animals, you'll also find snapshots of real-life encounters with Jesus.

Week 4: July 1 – 3, 5

Nature Nutz- Calling all animal and nature lovers... Grab your binoculars and get ready for the adventure of the summer as we wander through the wild and explore Cane Creek's amazing park. Campers will enjoy paddle boating, putt putt golf, and Cane Creek's private beach. We'll also have a science workshop where we'll learn more about wildlife!

Week 5: July 8 – 12

Who Wants To Be a Star? This week will bring out the director, producer, actor, singer and dancer in all of us. In the morning we will attend Roar VBS where the children will have an epic African adventure with our friends from Cross & Crown church. In the afternoons we will have acting workshops in cooperation with Matthews Playhouse and the children will have the opportunity to perform on COSKids' stage.

Week 6: July 15 – 19

Around The World- Let's pack our suitcase and go around the world in a week! We will take a journey to different parts of the world, but NO passports are needed. Our last stop will be to The Schiele Museum of Natural History and Planetarium!

Week 7: July 22 – 26

Crazy Chemworks— During this action packed week we will explore the chemistry of everyday life! We will learn the concepts, tools and techniques of real chemists as we mix crazy concoctions. We will experiment with super sticky stuff, explore glow-in-the dark materials, mix potions, make slime and grow crystals. Mad Science will be on campus to share some chemical combinations too!

Week 8: July 29 – August 2

Sports Madness- Boys and Girls, let's show 'em how it's done! This week is all about sports and all it has to offer. We will offer a soccer clinic hosted by Elevation Church volunteers for Love Week. We will also learn all about the importance of teamwork!

Week 9: August 5 – 9

Community Week- Let's volunteer our time this week by hanging out with the folks at a Senior Living Facility. Let's play games and make new friends as we visit and make others feel important and loved. Remember, serving others can be so much fun!

Week 10: August 12 – 16

Color Wars- Back by popular demand - the red, purple, green, and yellow teams are at it again! Get ready for the craziest color competition yet! Campers will revisit camp's most memorable moments and wrap it up with class color competitive games. We will also have a fun field-trip to Laser Quest!
